Anarchists Guide To Historic House Museums

The Anarchist’s Guide to Historic House Museums offers fresh ideas for museum administrators and staff to evaluate and improve the visitor experience to their historic house museums (HHMs). The authors, Franklin D. Vagnone and Deborah E. Ryan, use a variety of HHM case studies to illustrate their points.

(Donnelly 2002) The Anarchist Guide to Historic House Museums (AGHHM) calls for the holistic deconstruction of the HHM and the re-establishment of a paradigm from the perspective of human habitation. Offered as an evolving graphic manifesto, the AGHHM

Anarchist's Guide to Historic House Museums – Fairmount ... A NewsWhistle Culture Q&A. I recently read and enjoyed Frank Vagnone and Deborah Ryan’s new book, Anarchist’s Guide to Historic House Museums. Despite its rather alarming name, it is actually full of what I consider good ideas for historic house museums (as well as other small cultural
As you might have guessed by the title, the Anarchist Guide is provocative in nature and has been met with mixed feelings in the museum and preservation communities. The Guide proposes radical reinterpretation of historic house spaces through community engagement and changing traditional methods of interpretation.

Anarchist's Guide to Historic House Museums offers a wry, but informed, rule-breaking perspective from authors with years of experience and gives numerous vivid examples of both good and not-so-good practices from house museums in the U.S. "The tone of the book is blunt, but I think that is necessary."
