Using the metaphor of map-making, the book explains the perspective and skills needed to lead congregations and denominations in a time of radical change over unfamiliar terrain as churches change their focus from internal to external. Offers a clear guide for leaders wanting to transition to a missional church model.

Using the metaphor of map-making, the book explains the perspective and skills needed to lead congregations and denominations in a time of radical change over unfamiliar terrain as churches change their focus from internal to external. Offers a clear guide for leaders wanting to transition to a missional
church model

**Missional Map-Making: Skills for Leading in Times of ...**
Roxburgh uses the image of maps and map-making to explain the missional ideal. To be missional means to be engaged in God’s mission in the world, rather than simply sustaining the institution. Indeed, Roxburgh like many advocates of the missional way, can be rather critical of the institutional church.

**Goodwill Books - Missional Map-Making: Skills for Leading ...**
Missional Map-Making: Skills for Leading in Times of Transition. by Alan J. Roxburgh. No amount of internal enhancement will result in a church’s ability to engage the changing context, because the people living in these neighborhoods are less and less prepared to go to a church.

**Missional Map Making Skills For**
MISSIONAL MAP-MAKING. When church leaders decide to make the fundamental missional shift from focusing on the church itself to asking what God is up to in the neighborhood where their people live, it can be challenging for both leaders and congregants.

**Missional Map-Making: Skills for Leading in Times of ...**
In a culture where the terrain is continually changing, dependence on out-dated maps will not get you to your desired destination. In Missional Map-Making, Alan Roxburgh outlines the skills that are necessary for becoming map-makers as we lead congregations and denominations over the unfamiliar terrain of becoming missional.

**Missional Map-Making: Skills for Leading in Times of Transition**
Missional Map Making by Alan Roxburgh offers guidance for church leaders to develop their own maps and chart new paths toward stronger, more vibrant, and more missional congregations In the burgeoning missional church movement, churches are seeking to become less focused on programs for
members and more oriented toward outreach to people who are not already in church.
