Queering Elementary Education: Advancing the Dialogue ...
Queering Elementary Education is a must-read for all teachers and, perhaps more importantly, for preservice teachers. It is a smart, clearly written collection of essays exploring the complex interactions of class, race, gender, and sexual orientation. . . . Begins to map out some solutions to the homophobia in American schools.
“Queering Elementary Education” argues consistently that children should be taught that same-sex-parent families are as normal and common as the traditional two-parent family or single-parent families. But it is one thing to argue certain behavior is acceptable; it is quite another to distort basic...
